Dear Honorable Consul General,

We cordially invite your students to participate in the International Students' Visual Arts Contest-cum-Exhibition of Hong Kong – Photography (HKISAC) 2015. The theme of this year's HKISAC is "Harmony".

Hong Kong is a cosmopolitan city keen on developing arts and culture, and promoting creative industries. Nurturing students' creativity and art abilities therefore plays a significant role in school education. The Education Bureau (EDB) of the Government of the Hong Kong Special Administrative Region (HKSAR) of The People's Republic of China launched the HKISAC jointly with Po Leung Kuk (one of the major charitable and education organisations in Hong Kong) in 2010. The HKISAC of the past years were so successful that thousands of young people's high quality artworks were submitted from more than 40 countries all over the world, culminating in the Prize Presentation and Opening Ceremony of the exhibition in which the Hong Kong Grand Prize winners from various countries were invited to Hong Kong to share the joy and success of this significant international art education event (Please see enclosed photos).

We would like to seek your help and support of delivering the message of the HKISAC-Photography 2015, and encouraging students from your country to participate in this meaningful international creative art contest.
